SPONSORSHIP OPPORTUNITIES WITH GIRLS RUGBY

Girls Rugby, Inc. is a non-profit organization dedicated to helping girls reach their potential through rugby. Girls Rugby offers flag rugby programs for girls in grades 2-8 in various locations around the country. Each program delivers a values-based curriculum that teaches players the basics of rugby and positive core values. Girls Rugby is seeking partnerships with organizations with similar values and goals in order to mutually benefit. Check out the benefits of partnering and sponsoring Girls Rugby below!

Connection & Reach

Sponsoring Girls Rugby means that we connect your company to our membership, creating greater exposure for your brand. This can include direct reach, social media, in-person opportunities, etc. or we can work directly with you build a custom opportunity.

Give Her the Game

Every child that participates in a Girls Rugby program has the opportunity to change her own life. Your partnership can directly impact her experience and help her learn the skills she needs to be successful on and off the field. Your support contributes to our Girls Rugby Scholarship program to help reduce challenges to participating.

Make an Impact

Every dollar that comes into our organization is put directly back into our programs on the ground. The more resources we have, the greater impact we're able to make. Your support goes directly to building the capacity of our local programs so that they can make a greater impact in the community.

Contact us today to create a partnership/sponsorship package tailored to your business.
